Eligibility:

Coursing Ability Tests (CABT) are open to all dogs at least 12 months of age that are individually registered with the AKC, recorded in the Foundation Stock Service (FSS) program, individually registered with a foreign or domestic registry organization whose pedigrees are acceptable for AKC registration, dogs granted a Purebred Alternative Listing (PAL) number, dogs with AKC Limited or Conditional Registration, or dogs enrolled in the AKC Canine Partners program. Dogs with breed disqualifications and monorchid/cryptorchid dogs are eligible to participate. Females in season may not enter. A dog may enter only once per event. (An event is defined by an event number.)

Passing Performance:

The Coursing Ability Test is a pass – fail event. In order to pass, the dog must complete the course **with enthusiasm and without interruption** within the maximum amount of time for the course length. The judge keeps the official time and decides the merits of the dog's performance. Any dog relieving itself on the field during its run is automatic fail.

Titles:

Titles will be awarded by the AKC for dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on a dog's pedigree with a higher-level title superseding a lower-level title.

General Rules:

- All entries must be one year or older on the day of the trial.
- Muzzles are not required. It is the responsibility of the owner to determine if their dog needs to be muzzled.
- Lure machine is gas engine with clutch assembly continuous loop. Backup equipment is available.
- Lure will consist of highly visible plastic strips.
- There will be a \$5 fine for any loose dog on the field that is not part of the course in progress.
- There will be a \$35 bank fee assessed for any returned checks.
- **Checks must be in U.S. Funds drawn on U.S. Banks.**
- MWCC assumes no liability for injury to any dog or person, before, during or after the trial.
- Event will run after roll call.

Course Plans

Saturday 600 yds

Sunday 600 yds

CABT Course Design. The course shall be designed with safety for non-sighthound breeds as a primary consideration. There shall be at least 4 turns with no turns more acute than 90 degrees. The total length of the course shall be no less than 600yards and should be as close to 600yards as is possible. The lure will consist of plastic strips. Depending on the size and type of dog, the dog will run either the full course or a 300yard course. The 300yard distance shall be clearly marked. Safety is of utmost importance. Many of the dogs running the Coursing Ability Test will not possess the agility of a sight hound and this must be a consideration in the design of a course.

Distance and Maximum Time. Dogs run singularly.

300 Yard Course. This distance is for dogs shorter than 12 inches at the withers and / or brachycephalic ("flat-faced") dogs. A dog must complete this course in less than 1 ½ minutes.

600 Yard Course. This distance is used for all dogs that do not run the 300-yard course. A dog must complete this course in less than 2 minutes.

Veterans: Veteran dogs may be allowed to run two-thirds of the normal distance at the handler's discretion. For the purpose of CAT tests, veteran dogs are defined as dogs over 7 years of age. *The handler must declare at roll call which distance the dog will run.* This means that a veteran dog which would normally run the 300yard course may run 200yards and a veteran dog which would normally run the 600yard course may run 400yards. Time to complete the course remains the same. Veteran dogs completing the shorter course will continue to earn legs toward the current CAT titles.

If there is a question which course a dog should run, the judge will have final decision.
